Personal Background

Date of Birth: November 2, 2004
Gender: Male
Citizenship: Filipino
Height: 5'5
Weight: 65kg

Summary

As a recent graduate with a strong foundation in computer science and a passion for coding, I am eager to embark on a career as a Software Engineer. I am excited to apply my theoretical knowledge and hands-on projects to real-world applications. With a keen eye for detail and a drive for continuous learning, I am poised to contribute effectively to dynamic development teams and play a vital role in crafting cutting-edge software solutions.

Experience

Software Development Intern – 09/2023 to 12/2023
MGK Tech Solutions, Ampayon, Butuan City
- Contributed to web application development using HTML, CSS, and JavaScript.
- Debugged and improved application functionality and user experience.
- Conducted rigorous testing to ensure stability and performance.
- Actively participated in team meetings and code reviews

Software Engineering Intern - 05/2024 to 08/2024
JCC Software, Downtown, Butuan City
- Developed features in Python and Django for a cloud-based app.
- Conducted testing and resolved code inefficiencies.
- Optimized databases, resulting in 20% faster queries.
- Contributed to code reviews and successful deployments.

Certifications

- Certification in Advanced Web Development *Issued by: Tech Pro Institute*
- Certified ScrumMaster (CSM) *Issued by: AgileCert*
- Google Cloud Professional Data Engineer *Issued by: Google Cloud*
- Certification in Mobile App Development with React Native *Issued by: Code Academy*
